The Cape Breton Regional Hospital Foundation Proudly Presents

Golf Because You Care **TOURNAMENT**

Golf Because You Care is a new fundraising initiative supporting the Cape Breton Regional Hospital Foundation's efforts to build Cape Breton's new Cancer Centre. This golf tournament, a 4-person best-ball style, is an exciting way to golf, because you care, supporting cancer patients right here **at home**.

The '**Golf Because You Care**' tournament will be hosted by the Cape Breton Regional Hospital Foundation at Lingan Golf Club in Sydney, Nova Scotia on August 28, 2020.

This event will make a difference for every single one of the **150 cancer patients** who rely on the Cape Breton Cancer Centre every single day. **Patients battling for their lives** depend on our community's **support and generosity** when they are facing their most challenging and often emotional days. This event will help strengthen healthcare for the 1,900 new cancer patients who were diagnosed last year alone.
